Health and wellbeing boards

- Leadership of the local health system
 - Statutory membership of members, officers, commissioners and Healthwatch
 - A council committee but unlike any other
 - A board of commissioners, not necessarily a commissioning board
 - Embedding health improvement as core business
 - Joint strategic needs assessments
 - Joint health and wellbeing strategies
 - Promoting integration – primarily through S75 flexibilities and Better Care Fund
 - Work with partners – including district councils
 - Engaging community in an honest conversation about health and wellbeing
-

The context for local government

The Health and Wellbeing System Improvement Programme
